C. Strategy for Addressing Needs

The HA will continue to attempt to increase Section 8 lease-up rates by establishing Payment Standards at 110% of the Fair Market Rent or above, and, if eligible and once a 95% lease-up rate is attained, the HA will apply for additional Section 8 Housing Vouchers and will secure any opt-out Vouchers that are available as well. However, continued increased federal program requirements may substantially impact the HA's efforts in these areas by taking away valuable staff time and negatively impacting the HA's continued emphasis on increasing lease-up.

Attachment C : Comments of Resident Advisory Board and PHA Response

Attached you will find the comments received from the Resident Advisory Board and documentation of their meeting of March 14, 2001. The HA has taken all of the RAB comments into consideration; however, no changes were necessitated to the plan by the comments received from the Resident Advisory Board.

The members of the Huron Metropolitan Housing Authority's Resident Advisory Council met on Wednesday, March 14, 2001, at 10 a.m. at the Authority Leasing office in Norwalk, Ohio.

Attending the meeting were members Ms. Tricia Cantu and Mrs. Ethel G. Signs, while Ms. Phyllis Cole was absent. Others attending were Mr. William F. Gandert, Huron MHA Director, Mrs. Veronica Myers, Huron MHA Leasing Agent Mrs. Jessica Hunter, Huron MHA Asst. Leasing Agent and Mr. Patrick Heydinger of the Mansfield MHA.

Members had received, via the U.S. Postal Service, a complete copy of the Annual and Five-Year Plan update and supporting documentation, including the organizational chart, the Section 8 Administrative Plan and the last audit of Authority operations.

The Director, Mr. Gandert, welcomed the members, explained the purposes of the Resident Advisory Council and explained the differences between the Section 8 Existing and Public Housing Programs. He also discussed the history of the Huron MHA and its operations in Huron County.

Mr. Gandert said the Authority is very interested in receiving input from participants on how to improve Authority operations and services.

Mr. Heydinger reviewed with the Council the proposed annual and fiveyear plans, explaining the plan provisions, implications and Authority goals, mission, objectives and strategies as outlined in the plan.

Council members had various questions on the plans and the goals and objectives as specified therein. Ms. Cantu expressed the thought that a homeownership program, should funds become available, would be a viable option for Huron County. She noted that several other agencies were adopting similar programs in the county.

The Director noted that members of the Authority had discussed the issue in the past, but until the Section 8 program becomes fully leased, members felt that program presented more opportunity at the present time for low-income Huron County residents.

Mrs. Signs said she was appreciative of the HMHA's efforts to assist low-income persons, especially senior citizens, and hoped more families would take advantage of the program.

The biggest concern of members remained the problem of finding housing within the Payment Standards or Fair Market Rents in Huron County, especially within the City of Norwalk.

Members had generally favorable comments about the Authority and its operations, and following lengthy discussion, indicated that if they had any additional comments, they would submit them in writing to the Authority.

Following discussion, the Director thanked members for their comments and the meeting was adjourned at approximately 11:15 a.m.

Attachment D: Community Service Requirements

The Huron MHA has none, and administers no, Public Housing units. As such, the HA is not subject to the Public Housing Resident Community Service Requirements.

However, the Huron HA has entered into a cooperative agreement with the Huron County Department of Job and Family Services (the local TANF [welfare] agency) to assist the HA and TANF agency in verifying compliance with various components of programs operated by each agency.

A copy of the Memorandum of Understanding is included with this attachment as sent to the local HUD Office.

**Attachment E : Progress in Meeting the 5-Year Plan Mission
and Goals**

The Huron MHA is working diligently to achieve a 95% leaseup rate in its Section 8 Housing Choice Voucher Programs, as mandated by the U.S. Department of Housing and Urban Development.

In addition, the Huron MHA has been consulted and has lent its support to various low-income tax credit projects built, and proposed, for Huron County in a continuing effort to provide as great a housing opportunity as possible for low to moderate income Huron County residents.

The HA will also attempt to obtain as many additional Housing Choice Vouchers as possible in the near future, once a full lease-up rate is attained.
